

SCAEOP-RETIRED DOT AIKEN SCHOLARSHIP RECIPIENTS

REBECCA "GRACE" MCGOWAN

Grace has a GPA of 4.971 on the 6.0 scale earned in the International Baccalaureate Diploma Program at Wilson High School. She ranks 13 of 226 students. Her career path is to attend Clemson University and study Marine Biology. She would like to be an animal behaviorist at a zoological facility working closely with cetaceans. Her Counselor says she has top notch interpersonal skills and works well independently and in group settings. Grace illustrates her ability to challenge herself, sets goals, and follows through. Her Biology teacher states that she will be an inspiration, and will be a positive impact on our beautiful planet earth. She is deserving of the Dot Aiken Scholarship for 2024.

JESSICA LYNN MCGOWAN

Jessica has a GPA of 4.759 on 6.0 scale earned in the International Baccalaureate Diploma Program at Wilson High School. She ranks 21 of 226 students. Her ultimate goal is specifically in the field of space and problem solving that comes with the creation and building of high-tech space equipment. She has expressed a desire to pursue a career in Aerospace Engineering. Grace is passionate about the ability to be a pioneer in the field of science, technology, engineering, and mathematics. Her drive and abilities are her true assets. She will be attending Clemson University. She is deserving of the Dot Aiken Scholarship for 2024.

Jael Chadwick

Jael believes in the importance of personal growth and development. Her opportunities in the field of education will be explored further in her college career. She has maintained a 3.99 GPA in her AP and honors classes at Providence Christian Academy. Her mathematics' teacher states that Jael is an independent worker who helped her classmates who found math to be a little challenging. She never made them feel any less important. She will be attending Wofford College. She is certainly deserving of the Dot Aiken Scholarship for 2024.

Seraiah Dawn Chadwick

Seraiah has a GPA of 3.85. She is planning a career in computer science at the University of North Georgia, Dahlonega Campus in the fall of 2024. Investing in her education is a testament to her commitment to personal growth and self-improvement. Her mathematics teacher states that she was one the strongest in dual enrollment in mathematics in College Algebra and Statistics. Her boss at Chick fil-A states that he is impressed with her ability to remain calm during rush periods as well as her dependability. She is deserving of the Dot Aiken Scholarship.

CASADI AVA BREWER

Casadi has a 4.015 on a 6.0 scale at Dreher High School. She is 101 of 248 students. She is undecided as to what university or college she will be attending in the fall of 2024. At the moment, she is looking at Presbyterian College. Her science teacher says she is respectful, works hard and brings great energy and excitement to the class environment. Casadi has met every challenge “head-on” while at Dreher High School. She danced and played Volleyball until she was injured but continued to support her team every day. She is deserving of the Dot Aiken Scholarship.

CARNATRAIN T. MILES

Carnatrain has a GPA of 3.944 from the University of South Carolina Beaufort Campus for fall 2021, then attended USC Union Campus in Spring 2022. She is a senior at USC Aiken. Her career path is in diagnostic sonography and OB/GYN. She has always wanted to go into the healthcare field. She is deserving of the Dot Aiken Scholarship.
